CHAIRMAN'S MESSAGE

Over the past twelve months, the National Gallery of Victoria has continued to succeed with the extraordinary generosity of the philanthropic community. It is through the collective contributions of many individuals that the NGV Foundation was able to deliver remarkable outcomes across engaging programs and events, exceptional exhibitions and building the NGV Collection for visitors to enjoy now and into the future.

These achievements included a number of gifts valued at more than \$1 million from donors, including Krystyna Campbell-Pretty AM and Family's cumulative involvement across many initiatives and NGV Collection areas, such as the School Support Program, Fashion and Textiles and International Art; and S. Baillieu Myer AC and Sarah Myer's contribution towards the NGV's Japanese and Korean art collections. I acknowledge the collective generosity of the Clifford Family, John Higgins AO and Jodie Maunder, Paula Fox AO and Fox Family Foundation, Peter Edwards and the Loti & Victor Smorgon Fund, and Professor AGL Shaw AO Bequest for their extraordinary support in the acquisition of *Venus 2016–20* by Jeff Koons. I would like to recognise the Felton Bequest for generously acquiring Cerith Wyn Evans's *C=O=D=A, 2019–20*, for the NGV. I acknowledge US-based donor Gregory Evans, who gifted a collection of major works by David Hockney; and also Anne Greenham and the late Peter Greenham for their generous gift of Brett Whiteley's *Washing the Salt off II (After the swim)*, 1984.

I warmly acknowledge other significant gifts in kind received during the year valued at more than \$500,000 from Anna Schwartz and Morry Schwartz AM, who contributed more than 100 works by John Nixon; Michael Machin's gift of seven works that were first shown in the NGV's 1968 exhibition *The Field*; and the gift of Giovanni Francesco Romanelli's *The three Marys at the sepulchre, c. 1641*, from the Collection of James Fairfax AC, presented by Bridgestar Pty Ltd.

I further recognise the generosity of donors who contributed gifts valued at more than \$100,000, from Gordon Moffatt AM; The Truby and Florence Williams Charitable Trust's final gift towards the NGV Kids Program; The Hugh D. T. Williamson Foundation's three-year commitment towards the NGV's Department of Contemporary Design and Architecture; John and Cecily Adams, for funding a number of Picasso ceramics; and Neville and Diana Bertalli, Michael and Emily Tong, Connie Kimberley and Craig Kimberley OAM, for their contributions towards NGV Triennial 2020. I also thank the leadership

donors of the 2021 NGV Annual Appeal, who have made major gifts and pledges towards Berthe Morisot's *La Broderie, 1889*, including Barry Janes and Paul Cross, Paula Fox AO and the Fox Family Foundation, Norman and Pauline Bloom, Myriam Boisbouvier-Wylie and John Wylie AM, Krystyna Campbell-Pretty AM and Family, The Bowden Marstan Foundation, Ken Harrison AM and Jill Harrison OAM, John and Rose Downer Foundation, and Tim Fairfax AC and Gina Fairfax.

While the NGV Foundation was able to connect with supporters onsite during the summer season, online events continued throughout the last financial year, as the NGV experienced periods of extended closure. The NGV Foundation maintained an engaging online program of events, such as the Spotlight on the NGV Collection event series, supported by the Spotlight Foundation, which has received more than 9000 views during the past twelve months. This engagement demonstrates the NGV's ability to connect with people near and far, and reflects our community's commitment to their state institution.

I'd also like to take a moment to acknowledge the commitment by the Victorian Government to building the nation's largest gallery dedicated to art and design, NGV Contemporary, which will have a transformative impact on our city and Victoria. This purpose-built, twenty-first-century gallery – the largest of its kind in Australia – will form the beating heart of the transformed Melbourne Arts Precinct. It will attract millions of visitors each year and signal Melbourne as a cultural destination of major significance, not only in our corner of the globe but the entire world. This landmark building will become a global beacon for tourism. NGV Contemporary will form an important and central part of our state's creative industries.

On behalf of the NGV Foundation Board, I extend my thanks to the NGV Executive Management, led by Director Tony Ellwood AM. I acknowledge their resilience and capacity for fearless optimism throughout the COVID-19 pandemic. I also recognise the role of my fellow Foundation Board Members who remain committed to the NGV, and look to the future to ensure that the NGV maintains its role as one of the leading museums in our region.

NATIONAL GALLERY OF VICTORIA

WELCOME MELBOURNE

DIRECTOR'S MESSAGE

The National Gallery of Victoria is built on the generosity of the community. I am grateful to take this opportunity to thank all those who supported the NGV in the 2020–21 financial year. It is the support of all our donors that we are able to continue delivering exhibitions and programs to an exceptional standard and ensure the NGV Collection remains one of the most comprehensive collections of art and design in the world.

Firstly I wish to thank the Victorian Government for their extraordinary commitment towards NGV Contemporary, a new cultural landmark for our state. This commitment demonstrates true leadership from the Victorian Government and will undoubtedly enrich the cultural life of Victoria. NGV Contemporary will become the largest home of contemporary art and design in our region and the opportunity for collaboration, ambition and innovation is truly exciting. I commend the Victorian Government on their vision for the broader Melbourne Arts Precinct and the entire cultural sector of Victoria. We are also grateful to the Ian Potter Foundation, who have pledged \$20 million towards NGV Contemporary – the single largest grant in the Foundation's history – and we look forward to working with everyone in our philanthropic community to make this landmark project happen.

The acquisition of Berthe Morisot's *La Broderie*, 1889, as a part of the 2021 Annual Appeal was a remarkable opportunity to expand the NGV Collection in a true watershed moment, as the first work acquired by a female French Impressionist artist. Morisot's *La Broderie* is a stunning example of her distinctive use of diffused light and feather-like brushstrokes, which defined the Impressionist style and firmly placed her alongside counterparts such as Claude Monet, Edgas Degas, Pierre-Auguste Renoir as well as Édouard Manet. Acquiring a work of this significance requires the collective efforts of many people, and we are extremely grateful to everyone who has supported the 2021 Annual Appeal, in particular leadership donors Barry Janes and Paul Cross, Paula Fox AO and Fox Family Foundation, Norman Bloom and Pauline Bloom, Myriam Boisbouvier-Wylie and John Wylie AM, Krystyna Campbell-Pretty AM and Family, The Bowden Marstan Foundation, Ken Harrison AM and Jill Harrison OAM, John and Rose Downer Foundation, Tim Fairfax AC and Gina Fairfax; major donors Mavourneen Cowen, Denise de Gruchy, Grollo Ruzzene Foundation, Gwenneth Nancy Head Foundation, Suzanne Kirkham, Betsy Polasek, Andrew Sisson AO, Carolyn Stubbs OAM, as well as donors to the 2021 NGV Foundation Annual Dinner and 2021 NGV Annual Appeal.

During the NGV's extended closure, the Gallery's team continued to work hard to ensure NGV audiences could continue enjoying meaningful experiences with art and design. Alongside this, projects and programs that facilitated the preservation of the NGV Collection, and the progression of our leadership in the field, were critical to daily operations. The philanthropic community played a vital role in supporting these initiatives and we wish to recognise Creative Victoria, The Truby and Florence Williams Charitable Trust, The Hugh D. T. Williamson Foundation, Gordon Moffatt AM, Krystyna Campbell-Pretty AM and Family, City of Melbourne, Spotlight Foundation, Loris Orthwein, Paul Bonnici and Wendy Bonnici, Korea Foundation, Cicely and Colin Rigg Bequest, Ullmer Family Foundation, Lisa Fox, Susan Morgan OAM, Helen Robinson, Spencer Ko, Rachael Neumann, Michael Gannon and Helen Gannon, Betsy Polasek, Celia Sitch and Peter Sitch, Beatrice Moignard, JTM Foundation, Claire Hatch and Bruce Rowe, Susan Auster and Scanlon Foundation.

We are extremely grateful to all bequest donors and acknowledge all bequests received during this period, as the power of legacy giving has been profoundly relevant over the last year. This form of giving provides crucial funds for areas most in need of support and plays a vital role in the life of the Gallery. We recognise donors who pledged their commitment through a notified bequest to the NGV during the year, including Ivanka Canet and Peter Canet, Claire Hatch and Bruce Rowe, Zara Kimpton OAM, Sue Prestney and Paul Glen, Christopher Young and Elisa Markes-Young, and Bishop Andrew St John. Importantly we honour the positive impact the following bequests, realised this year, will have on the NGV for years to come including the bequests of Marion Isabel Jennings, Prof. AGL Shaw AO, Margaret Ditchburn, Noel Charles Belcher, Warren Clark, Thomas William Lasham, Marie Theresa McVeigh, Thomas Rubie Purcell and Olive Esma Purcell, Eunice Irene McDonald and Christine Peirson.

The NGV Collection continued to grow through a number of remarkable works of art generously gifted to the NGV during 2020–21, from individuals in Australia and from donors based abroad. Collection

areas were enhanced through donated works of art and design from artists and donors, including Krystyna Campbell-Pretty AM, The Felton Bequests Committee, Gregory Evans, Anne Greenham and the late Peter Greenham, Anna Schwartz and Morry Schwartz AM, Michael Machin, Collection of James O. Fairfax, presented through Bridgestar Pty Ltd, A & M S Foundation, Carol A. Green, Harry Chojna, Leigh Copeland and Alexandra Copeland, Sophie Gannon, and donors who generously gifted works anonymously.

I would also like to acknowledge the NGVWA who celebrated their 60th anniversary in early 2021. This dynamic group have played an instrumental role in the life of the NGV, helping to secure major commissions for the Collection, as well as supporting continued professional development opportunities for NGV staff over many years. On behalf of the NGVWA, we warmly celebrate the following people who donated towards this incredible milestone, including Joan Darling, Vivienne Fried, Caroline Cornish and Philip Cornish AM, Jacky Hupert, Jennifer Lempriere, Maria Smith and Mike Smith OBE, and all donors to the NGVWA 60th Anniversary Appeal.

I thank our esteemed Chairman of the NGV Foundation Board, Leigh Clifford AO, and his fellow Foundation Board Members, for their strategic advice and leadership support across our upcoming initiatives and long-term projects, such as NGV Contemporary.

I am grateful to our President of the Council of Trustees, Janet Whiting AM and all Trustees for their trustworthy guidance and enthusiasm through a challenging period. I sincerely appreciate their support.

I acknowledge all members of the NGV Fundraising team, led by Assistant Director of Fundraising and Events, Misha Agzarian, and Head of Bequests and Planned Giving, Anna Kopinski, which enables the Gallery to continue to reach extraordinary philanthropic milestones each year.

Finally, my thanks extend to our generous community who have contributed to various aspects of the life of the NGV in 2020–21. The annual report provides an opportunity to reflect on our achievements over this past year, and it is exciting to share this with you. Thank you again for your support.

ANNUAL GIVING

Each year the NGV's Annual Giving program ensures that the Gallery has an important foundation from which to succeed through their yearly contributions. This group enhances the NGV's ability to continue developing our internationally renowned Collection and also provides integral support towards the Gallery's programs. The NGV is also fortunate to have a dedicated group of Supporters of Conservation to fundraise for our Conservation department, which is recognised as one of the leading departments in the cultural sector.

By nominating one or more chosen area of interest, Annual Giving donors can direct their gift towards a specific Collection area or program, and in return enjoy being part of a community of supporters gaining a deeper understanding of the NGV through a combination of exclusive online and in-person events. Donors can also opt for their gift to go towards the Gallery's current priority at the time, such as the Annual Appeal, as well as other campaigns that in 2020–21 enabled the acquisition of important works by artists such as Richard Estes, Frank Lloyd Wright and Nonggirnga Marawili.

In 2020–21 the NGV Collection was strengthened thanks to contributions from Annual Giving donors. Thanks to the NGV Supporters of Indigenous Art, this includes the acquisition of *We are on fire (Not in a sexy way)* 2020 by Karla Dickens and Ryan Presley's *Crown Land (till the ends of the earth)* 2020, the first works by these artists to enter the NGV Collection. Thanks to the NGV Supporters of Australian Art, the Gallery's representation of mid twentieth-century furniture by iconic Australian designers Grant Featherston, Marion Hall Best and Clement Meadmore was also strengthened. As a result of gifts from the NGV Supporters of Contemporary Design and Architecture, the NGV was also able to acquire a new work Dale Hardiman and Stephen Royce, part of the next

generation of young Australian designers, whose work *Open Garden: Digital Mirror*, 2020, featured in NGV Triennial 2020. The NGV Supporters of Asian Art acquired a breadth of modern and contemporary works, including a number of Javanese wayang kulit puppets, or shadow puppets, from the 1960s and 1980s; a set of *Butterfly stools*, c. 1954, by Japanese designer Sori Yanagi; and a painted bronze sculpture, *New* 2016–17 by Xu Zhen, who last featured in the 2017 *NGV Triennial* with his colossal reclining Buddha in Federation Court. The NGV Supporters of Fashion and Textiles also provided key funds towards works by Comme des Garçons, continuing to build the Gallery's leading collection of garments by the avant-garde fashion house. The Gallery also acquired an ambitious oil painting *autofellatio*, 2018, by Mexican artist Frieda Toranzo Jaeger, which was included in the second NGV Triennial, as well as an LED artwork *Untitled*, 1985, by highly respected American artist Jenny Holzer.

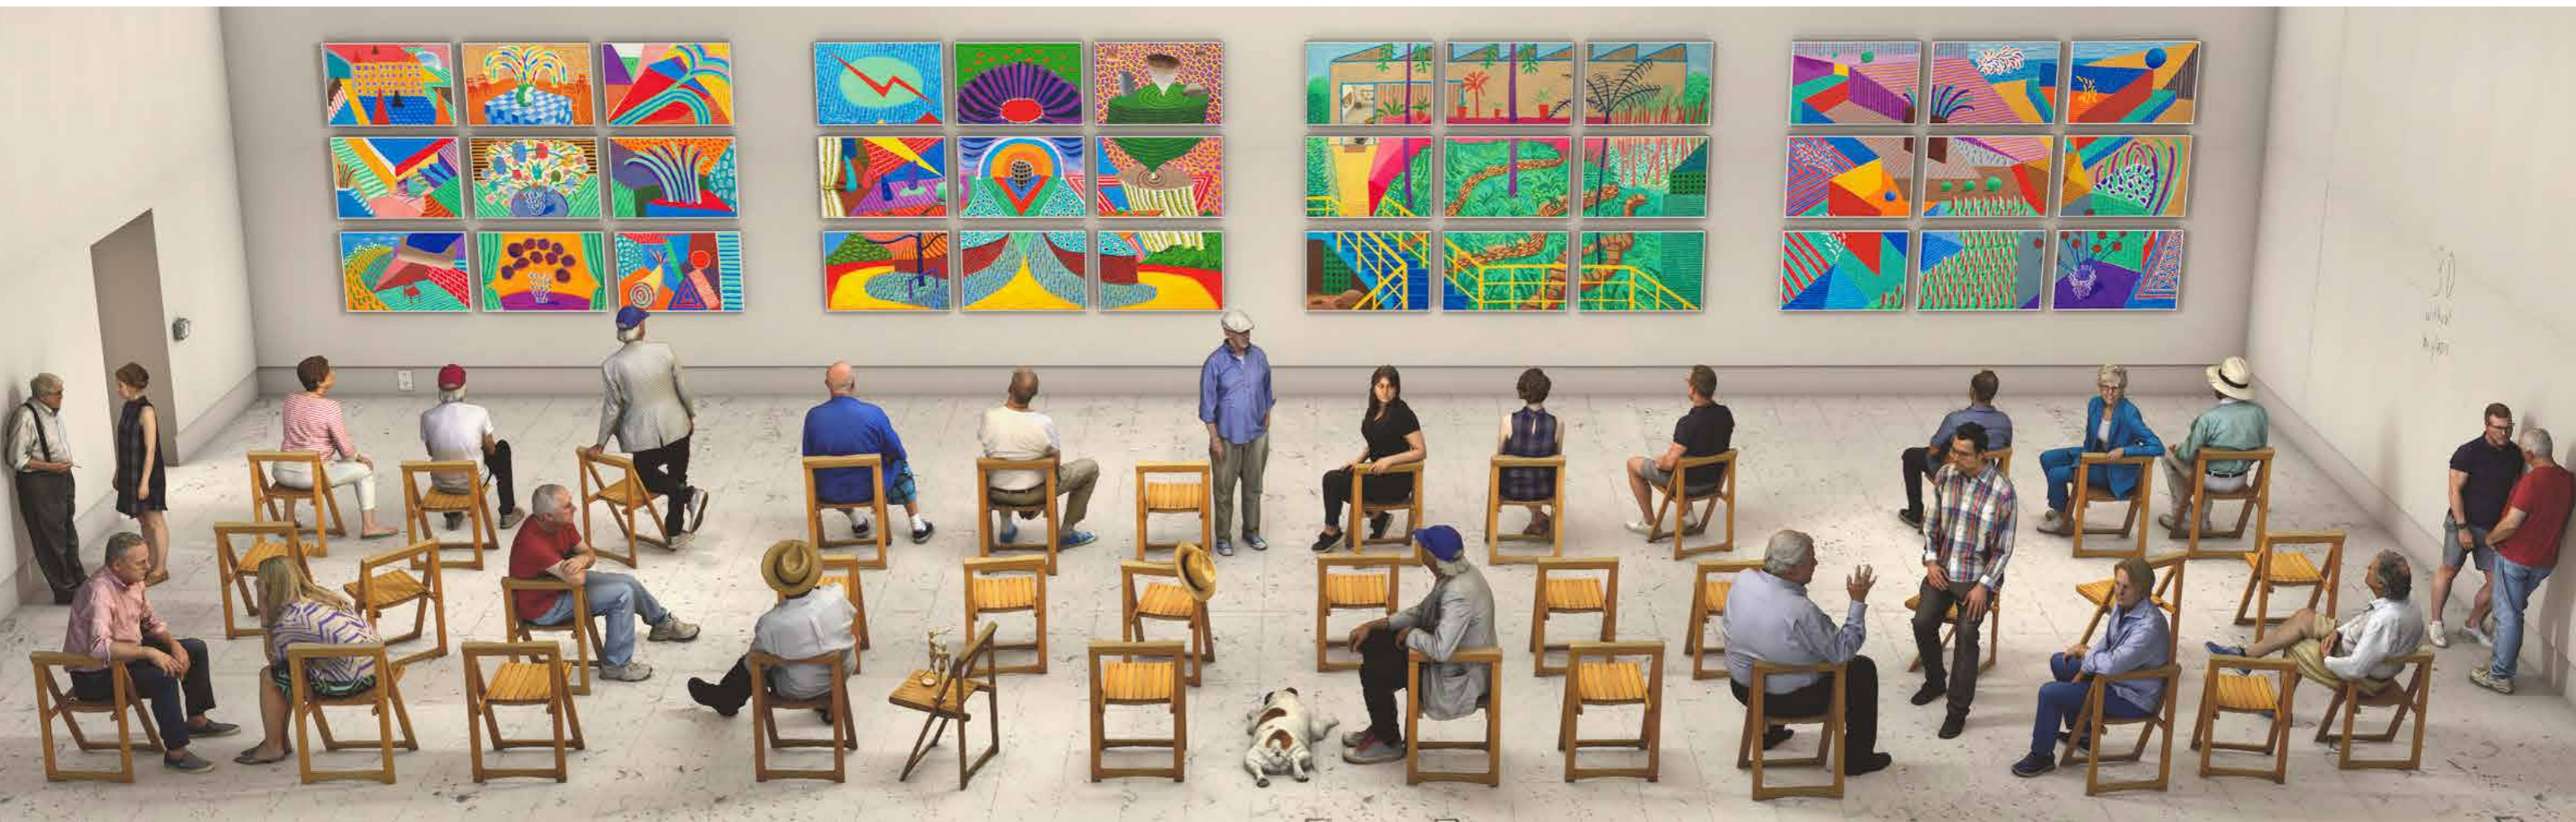

Throughout the year the Gallery was pleased to host our supporters at a number of online and in-person events. The popular online series exclusively for supporters Spotlight on the NGV Collection continued to keep our community engaged throughout most of 2020. In 2021 the NGV welcomed supporters to a viewing of *TWU*, which also farewelled Judith Ryan AM, Senior Curator, Indigenous Art, and there was also presented a special tour of the Fashion and Textiles collection led by Katie Somerville and Danielle Whitfield, Curators of Fashion and Textiles and a preview of the department's collecting ambitions.

The NGV is grateful for the generosity of our dedicated supporters, whose involvement continues to be significant for the NGV. We thank all of our supporters for sharing their enthusiasm with the Gallery and staying connected throughout a challenging year.

VIRTUAL EVENTS

We continued to embrace virtual programs during the 2020–21 financial year with more than twenty events delivered in a fully supported online environment, offering our broad range of stakeholders unique engagement opportunities, including exclusive events hosted live by Tony Ellwood AM for major donors and prerecorded broadcasts for hundreds of supporters at a time.

The 2020–21 period saw continuous growth in engagement rates for the online series Spotlight on the NGV Collection, which was supported by the Spotlight Foundation and offered exclusively for supporters of the NGV. Launching in May 2020, the program delivered twelve events over the last financial year, focusing on diverse areas of the NGV Collection and exhibition program. A dedicated online program Spotlight on the Annual Appeal was also produced to encourage community support and to help acquire Berthe Morisot's significant work, *La Broderie*, 1889. Combining on-location filming and bespoke content overlay, the NGV brought unique aspects of the NGV Collection and exhibition program to life on a new level and it received more than 9,000 views, reaching new audiences worldwide.

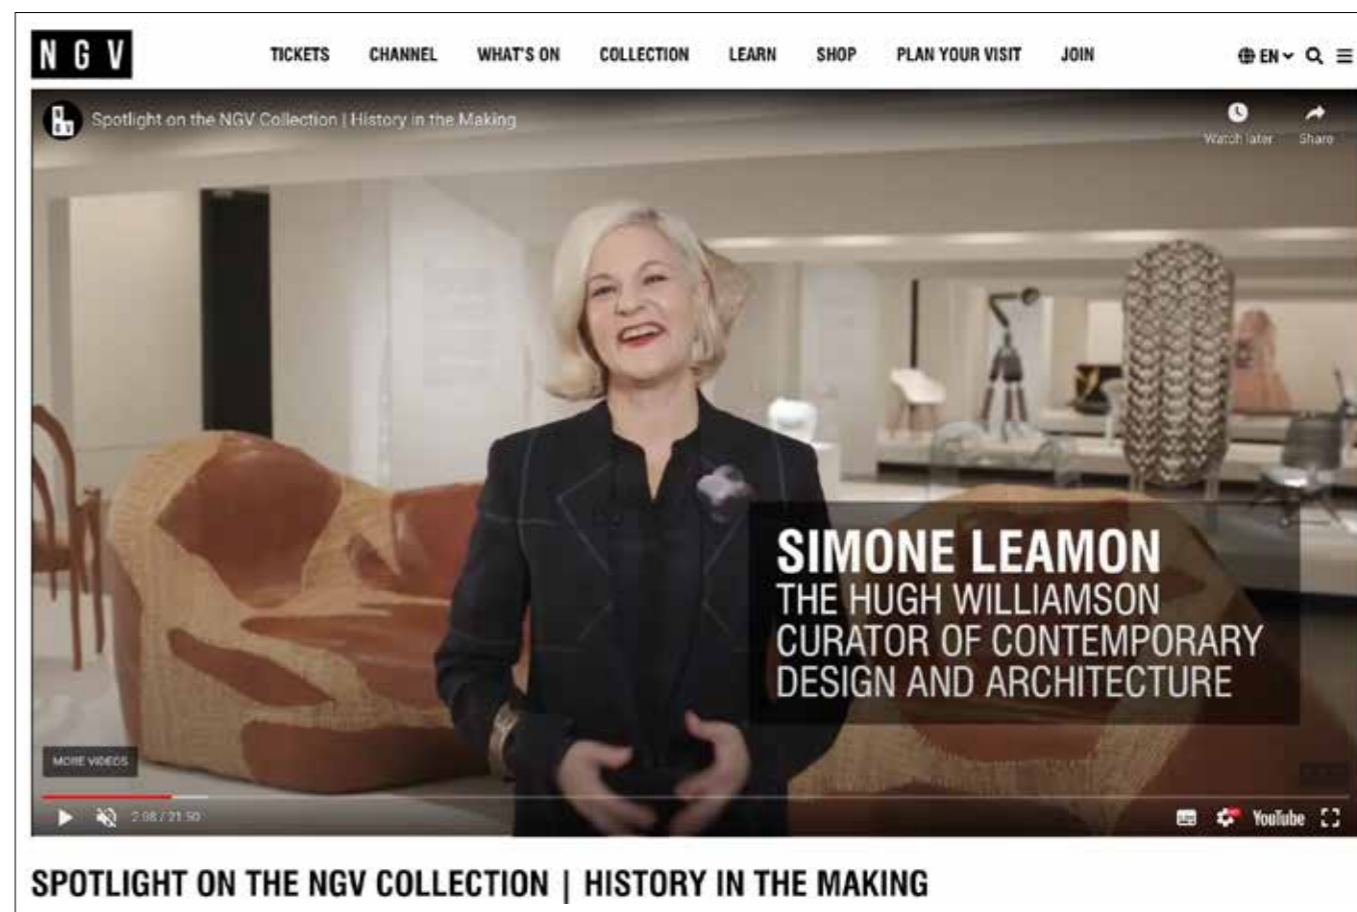

During this time, the NGV also strengthened our connections with supporters utilising live online events. These events were focused on targeted supporter groups and provided unprecedented access to exhibitions using innovative technology, providing curator-led 3D virtual tours of the NGV's exhibitions, including the 2021 Melbourne Winter Masterpieces Exhibition *French Impressionism from the Museum of Fine Arts, Boston*; *Maree Clarke: Ancestral Memories*; and the world-exclusive exhibition *Goya: Drawings from the Prado Museum*. Live online events also allowed our supporters to actively participate and engage with curators, submitting comments and questions, helping shape a memorable experience. This online event strategy generated a remarkable footprint engaging approximately 4300 supporters across the year.

We are proud that this transition has been a resounding success and this achievement is an accurate representation of the NGV's ability to adapt and innovate to serve our donor community. The NGV will continue to deliver virtual programs to expand our reach.

SPOTLIGHT ON THE NGV COLLECTION | HISTORY IN THE MAKING

2021 ANNUAL APPEAL

Coinciding with the NGV's 2021 winter season dedicated to French Impressionism, the NGV has been delighted to acquire *La Broderie*, 1889, by Berthe Morisot, an artist at the forefront of the French Impressionist movement in the late nineteenth century.

Morisot developed her own unique and innovative approach that helped define the Impressionist style. *La Broderie* is a stunning example of her distinctive use of luminous tones and feather-light brushstrokes. This is the first painting by Morisot to enter a public collection in Australia. We aspire to position the NGV Collection as one of the finest encyclopaedic collections of art in our region. In our mission to achieve this we are addressing critical gaps, which includes strengthening our representation of French Impressionism holdings. *La Broderie* is the third work of French Impressionism to enter the NGV Collection in the past fifty years and the first work we have acquired by a female French Impressionist artist.

This incredible opportunity to acquire a work by a pivotal member of the Impressionist movement has only been made possible through our dedicated community of supporters. The NGV warmly thanks all supporters who have made gifts to help secure this significant work:

SUPPORTED PROJECTS

NGV KIDS AND NGV TEENS

NGV Kids and Teens is one of the most popular and comprehensive programs in the country. It allows the NGV to connect with this important demographic at an early age. The impetus of this program was the funding from The Truby and Florence Williams Charitable Trust, managed by Equity Trustees. This funding allowed the NGV to grow the NGV Kids and Teens program into the fulsome offering it is today. During 2020–21, exhibitions included *Moja Moja Life: Misaki Kawai for Kids*, *Plans for the Planet: Olaf Breuning for Kids*, as well as programs such as the Kids Summer Festival. The NGV acknowledges Paula Fox AO and the Fox Family Foundation and the Neilson Foundation for their longstanding support and their contribution towards *Moja Moja Life: Misaki Kawai for Kids*. This exhibition was also supported by Chadstone – The Fashion Capital. Over the past twelve months, 314,301 children and their families attended the NGV. As a result of the COVID-19 global pandemic, the NGV's operations were enhanced with online programs, resulting in digital engagement with 38,522 students, and 10,834 children and families. The NGV is delighted that this method of audience connection has been received so well, and it will continue to be a part of the NGV's program development in the future.

From 9 to 17 January 2021, the Gallery delivered the Kids Summer Festival, and we thank the City of Melbourne and Spotlight Foundation, for their generous support towards this program. The Kids Summer Festival was delivered to 29,201 attendees, through a combination of digital and onsite engagement. Other programs include the

NGV Teens program, supported by The Ullmer Family Foundation, Beatrice Moignard, The Betsy and Ollie Polasek Endowment and The JTM Foundation. The NGV is delighted to report that more than 6200 young people engaged with the Teens program during the past twelve months. In 2020–21, one of the aspects of this program was Industry Connections, an online initiative that provided opportunities for teenagers to connect with professionals from the creative sector to learn about diverse career paths and practices. The NGV also delivered online sessions for our youngest audiences, including the programs Under 5s and Art Club, which were facilitated by trained NGV staff and with artists taking participants through art-making workshops. During the period, these programs reached more than 9300 children and we thank the Spotlight Foundation for their advocacy of this initiative. The NGV also warmly thanks Alex and Brady Scanlon for contributing towards the NGV's Teen Council. The Teen Council is a group of diverse teenagers who meet to discuss the development and delivery of NGV programs, to ensure the youth voice is represented.

The NGV is extremely proud of its achievements in another year greatly impacted by pandemic and is pleased it has been able to connect with the youngest demographics in a time when connection and social interaction is more important than ever. The NGV is proud to develop and deliver such a widely attended and popular Kids program, and we are looking forward to continue developing exceptional programs for this audience.

SUPPORTED PROJECTS

NGV AMERICAN FRIENDS PROGRAM

Amid the challenges of a global pandemic the NGV has remained connected to supporters around the world, including supporters based in the United States. Over the past twelve months the NGV American Friends initiative has resulted in wonderful acquisitions for the NGV Collection, across the areas of Contemporary Art, Contemporary Design and Architecture, Indigenous Art and International Decorative Arts & Antiquities.

The NGV would like to acknowledge the generosity of Gregory Evans for donating three remarkable works by David Hockney, enhancing the NGV's holdings of one of the most recognisable living artists of this generation. Lisa Fox, the NGV's American Friends Ambassador supported the work of Indigenous artists over the past twelve months, including Glenda Nicholls's largest and most ambitious net to date, *Miwi Milloo (Good spirit of the Murray River)*, 2020, presented in the NGV Triennial 2020, as well as her support as Major Patron of the exhibition *Bark Ladies: Eleven Artists from Yirrkala*, presented at NGV International. The NGV is grateful to Chris and Dawn Fleischner for their generous contribution towards the work of English artist, Alice Potts's *Dance Biodegradable Personal Protective Equipment (DBPPE) post COVID facemasks*, 2020, also presented in the second NGV Triennial. The Gallery warmly thanks Nadia Breuer Sopher and Ed Breuer and the Eva and Tom Breuer Foundation, and Douglas Baxter and Brian Hastings for their support of American photographer Ayana V. Jackson's *Seeking the source of perfection* 2017, from the *Intimate Justice in the Stolen Moment* series, 2017, presented in NGV Triennial 2020. The NGV also sincerely thanks Pete and Eloise Smyrl for their leadership in collecting a set of eight Shaker production chairs for the NGV, marking a significant contribution towards building the Gallery's Shaker holdings.

KRYSTYNA CAMPBELL-PRETTY AM AND FAMILY SCHOOL SUPPORT PROGRAM

The School Support Program was established in 2013 with the generous support of Krystyna Campbell-Pretty AM and Family. This important program enables children to visit the NGV who would not otherwise be able to and experience the NGV's major exhibitions, educational programs and the NGV Collection. Through this support, the NGV Learn team can connect directly with these young people, ensuring the Gallery is accessible to everyone. In the past financial year, the School Support Program welcomed 1411 students, including 1068 bookings for the NGV Triennial 2020. We were also delighted to offer the virtual *French Impressionism from the Museum of Fine Arts, Boston* program through Term 4 for those who have missed out.

Krystyna Campbell-Pretty AM has championed this crucial initiative and we are sincerely grateful for Krystyna's unwavering advocacy and generosity. To date, more than 17,300 students and teachers from schools across Victoria have participated, engaged with and enjoyed the NGV.

CONSERVATION

The NGV Conservation department ensures that the vast and diverse Collection is safeguarded for future generations. The task of caring for the NGV Collection, comprising more than 76,000 works, is significant, and means that the NGV Conservation team must remain at the forefront of treatments and skills. This includes perfecting new and historical conservation methods, skills that are learnt and maintained through the attendance of essential examinations and research programs.

During 2020–21, the Conservation department remained focused on the enormous task of diligently caring for the Collection during the Gallery's extended closures. Michael Varcoe-Cocks, Associate Director of Conservation, ensured that critical functions, such as regular assessments and the safe storage of all works of art were a priority, while the Collection was out of public sight.

To this end, we warmly acknowledge our supporters of Conservation, including Marquill Foundation, Susan Morgan, Betsy Polasek, Kay Rodda, Peter and Celia Sitch Family Charitable Foundation, The Hon. Michael Watt QC and Ms Cecillie Hall, and the Professor AGL Shaw AO Bequest, whose critical support towards the newly established Centre for Frame Research ensures the Conservation team can continue their vital work and remain leaders in their field. Thank you for helping us to provide a place of inspiration for all who visit the Gallery, online and in person.

PUBLICATIONS

Two publications were produced by the NGV to coincide with the NGV Triennial 2020. The major publication NGV Triennial 2020, the largest ever published by the NGV is a five-volume paperback with slipcase. It is richly illustrated with images of works in the exhibition, photographic essays, and source and research material from featured artists and designers. The publication presents discourses by ninety writers from across the globe, among them academics, journalists, literary figures, social commentators, artists, designers and curators. Through essays, fiction, philosophy, interviews, analysis and poetry, they explore the practices and motivations of the artists and designers featured in NGV Triennial 2020. The NGV thanks Wendy and Paul Bonnici and family, Beatrice Moignard and Research Partner, the University of Melbourne, for their support of the NGV Triennial publication.

NGV Triennial 2020 won in the category of 'Best Designed Fully-Illustrated Book Over \$50' in the 69th Australian Book Design Awards and the 2021 Museums Australasia Multimedia & Publication Design Awards.

For children, the NGV published *Moja Moja Means Hairy*, a collaboration with acclaimed Japanese artist Misaki Kawai. This twenty-eight-page board book was published to coincide with the exhibition *Moja Moja Life: Misaki Kawai for Kids* in the 2020 NGV Triennial. It features colourful illustrations by Kawai and Japanese onomatopoeia to say aloud with babies and toddlers. The NGV thanks Paula Fox AO and the Fox Family Foundation for their support of *Moja Moja Means Hairy*.

SUPPORTED PROJECTS

EXHIBITION SUPPORT

The NGV is grateful for our achievements over the past year thanks to our donors, in particular the families whose ongoing involvement has generously supported our NGV Kids exhibitions. The NGV acknowledges Paula Fox AO and the Fox Family Foundation and the Neilson Foundation for their longstanding support and their contribution towards *Moja Moja Life: Misaki Kawai for Kids*. This exhibition was also supported by Chadstone – The Fashion Capital. Olaf Breuning's exhibition *Plans for the Planet: Olaf Breuning for Kids* was generously supported by The Truby and Florence Williams Charitable Trust managed by Equity Trustees, the Packer Family and Crown Resorts Foundations, the Neilson Foundation and Spencer Ko.

The NGV also thanks NGV Foundation Board Member Jo Horgan and MECCA Brands, for supporting Louise Zhang's solo exhibition at The Ian Potter Centre: NGV Australia and in particular the acquisition of several works by this promising young artist.

2020 was an important year marked by the second iteration of the highly popular NGV Triennial series. The NGV Triennial 2020 was supported by more than eighty individuals, families and foundations, demonstrating an incredible effort by our philanthropic community and resulting in more than seventy acquisitions for the NGV Collection. Alongside the NGV Triennial, the Gallery also delivered Triennial EXTRA over thirty-one summer nights from 15 January to 14 February 2021. Melbourne's largest presentation of contemporary art and design set the scene for Triennial EXTRA, which was an engaging festival of performance, music, food and bars, and late-night access to NGV Triennial 2020.

The NGV would also like to acknowledge the generous support of Lisa Fox, Major Patron of *Bark Ladies: Eleven artists of Yirrkala*. This exhibition reflects the mastery of Yolŋu women artists from the Buku-Larrŋgay Mulka Centre (Buku), in North-East Arnhem Land.

CONTEMPORARY DESIGN AND ARCHITECTURE

Through the generous support of the Hugh D. T. Williamson Foundation, the NGV's Department of Contemporary Design and Architecture continues to be a significant influence on life at the Gallery. During 2020–21, the department was able to present and collect thought-provoking contemporary design and architecture, through a dedicated and ambitious collection strategy, paired with a thoughtfully developed program of events, exhibitions and programs.

Key initiatives included the delivery of the NGV Triennial 2020, 2021 Melbourne Design Week, Melbourne Art Book Fair, as well as preparation for the annual NGV Architecture Commission. These exciting initiatives were designed to showcase the innovative works and practices of artists and designers working today.

These programs are important platforms that underpin the NGV's ambitions, creating possibilities for people from all over the world to connect and engage in knowledge sharing. Each program challenges the way participants perceive art and design, broadening people's minds culturally and educationally.

NGV TRIENNIAL 2020

The second *NGV Triennial* took place between 19 December 2020 and 18 April 2021. Bringing together more than 100 artists and designers from all over the world, the 2020 *NGV Triennial* was a celebration of contemporary art, design and architecture. The exhibition was experienced by nearly 550,000 visitors, including close to 80,000 children. The *NGV Triennial* also featured a vibrant program of virtual talks and performances, which allowed international guests to participate despite the pandemic. The *NGV Triennial* demonstrates the Gallery's commitment to creating a legacy of acquisitions and commissions by groundbreaking global artists, such as Jeff Koons, Alicia Kwade and Daniel Arsham.

The success of the second *NGV Triennial* is a credit to the leadership of our philanthropic and corporate communities. The NGV warmly thanks the supporters for their involvement.

NGVWA 60TH ANNIVERSARY

The NGV was delighted to celebrate the NGVWA's dedication and passionate support on its 60th anniversary at NGV International.

Acknowledging the support of members past and present, this event celebrated the NGVWA's philanthropic efforts over six decades, enabling the NGV to build its Collection with works of exceptional quality and depth, across a range of diverse areas including Decorative Arts, Prints and Drawings, Indigenous Art, Contemporary Art and Australian art. The NGVWA has also provided significant support towards international professional development for NGV staff, artists and students.

This celebration also encouraged the NGVWA to look forward to the future, with the strong network of supporters developed over the years. The NGV warmly thanks the NGVWA for its longstanding advocacy and vision for the future of the NGV. On behalf of the NGVWA, we warmly celebrate those who donated towards this moment in history, including Joan Darling, Vivienne Fried, Caroline Cornish and Philip Cornish AM, Jacky Hupert, Jennifer Lempriere, Maria Smith and Mike Smith OBE, and all of the donors to the NGVWA 60th Anniversary Appeal.

A LITTLE KNOWLEDGE CAN GO A LONG WAY
A LOT OF PROFESSIONALS ARE CRACKPOTS
A MAN CAN'T KNOW WHAT IT'S LIKE TO BE A MOTHER
A NAME MEANS A LOT JUST BY ITSELF
A POSITIVE ATTITUDE MAKES ALL THE DIFFERENCE IN THE WORLD
A RELAXED MAN IS NOT NECESSARILY A BETTER MAN
A SENSE OF TIMING IS THE MARK OF GENIUS
A SINGLE EVENT CAN HAVE INFINITELY MANY INTERPRETATIONS
A SOLID HOME BASE BUILDS A SENSE OF SELF
A STRONG SENSE OF DUTY IMPRISONS YOU
ABSOLUTE SUBMISSION CAN BE A FORM OF FREEDOM
ABUSE OF POWER COMES AS NO SURPRISE
ACTION CAUSES MORE TROUBLE THAN THOUGHT
ALIENATION PRODUCES ECCENTRICS OR REVOLUTIONARIES
ALL THINGS ARE DELICATELY INTERCONNECTED
ALWAYS STORE FOOD
AMBITION IS JUST AS DANGEROUS AS COMPLACENCY
AMBIVALENCE CAN RUIN YOUR LIFE
AN ELITE IS INEVITABLE
ANGER OR HATE CAN BE A USEFUL MOTIVATING FORCE
ANIMALISM IS PERFECTLY HEALTHY
ANY SURPLUS IS IMMORAL
ARTIFICIAL DESIRES ARE DESPOILING THE EARTH
AT TIMES INACTIVITY IS PREFERABLE TO MINDLESS FUNCTIONING
AT TIMES YOUR UNCONSCIOUS IS TRUER THAN YOUR CONSCIOUS MIND
AUTOMATION IS DEADLY
AWFUL PUNISHMENT AWAITS REALLY BAD PEOPLE
BAD INTENTIONS CAN YIELD GOOD RESULTS
BEING ALONE WITH YOURSELF IS INCREASINGLY UNPOPULAR
BEING HAPPY IS MORE IMPORTANT THAN ANYTHING ELSE
